- The Bureau of Epidemiology-based Swine Flu Incident Management Team is the lead for implementing the influenza response strategy
- MCDOH continues to work with public schools in an effort to increase surveillance.
- Logistical support for local operations and public health and medical messaging to internal and external partners are the most critical objectives for county ESF-8 currently

7. Summary of Current Actions

SAFETY MESSAGE

- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hands cleaners are also effective.
- Avoid touching your eyes, nose or mouth. Germs spread and enter your body that way.
- Try to avoid close contact with sick people.
